REMARKS

Response to 35 U.S.C. 121

The Examiner issued a restriction requirement. According to the Office Action, there are at least two patentably distinct inventions in the claimed invention and a restriction to one of these inventions in claims is required under 35 U.S.C. 121.

Applicants elect Group I drawn to a product with the species as shown in Fig. 3, specified in claims 1-5. Applicants also reserve the right to pursue the subject matter of the non-elected claims in a divisional application if Applicants so choose.
